I got a new boyfriend, and he likes to see me in schoolgirl uniforms. At first I didn't want to do it, especially when we were fucking,. But as time went on, I noticed he was much more sexually aroused and interested in having sex. Mercedes was Ally's co-editor. Poetry Sucks was a two-woman operation. These gals did everything.

Poetry Sucks

I know who you are," I told her.

The customer, a cutey with close-cropped red hair, looked at me strangely. Her girlfriend did the same.

"Who am I?" asked the redhead.

"The editor of Poetry Sucks."

I had recognized her name—Ally Tally—on the credit card receipt. No telling how many poems I had submitted to her underground poetry zine. Most of these had been rejected, most but not all.

I had managed to place a grand total of two poems in her publication of dubious literary value.

Actually, Poetry Sucks was well-respected among a small group of outcast writers. The stapled and photocopied zine championed work too rude and crude for mainstream venues, most of these affiliated with colleges and universities and edited by graduate students studying to become English professors.

Definitely not my scene.

I was college educated, yeah, but my work life had been about as far from the ivory tower of academia as one could get. Busboy. Dishwasher. Produce clerk. I had done them all. And now I was working at an independent bookstore, not because it paid better—it actually paid less—than the aforementioned jobs, but because my back could no longer withstand the strain of physical labor.

"And you," I said to Ally's raven-haired friend, "must be Mercedes Keaton."

"The one and only," she remarked.

Mercedes was Ally's coeditor. Poetry Sucks was a two-woman operation. These gals did everything.

"I'm Heath Shasta," I told them. "I've been sending my stuff to your zine for years . . ."

Ally's face lit up. "No way!"

"Wow," Mercedes said. "Small world."

Not that small, I thought. Poetry Sucks was made with pride in Austin, Texas; it said so in the masthead. Not exactly a hop, skip, and jump from our current whereabouts of Jackson, Mississippi.

"What in the world brings you two to Jackson?" I asked them.

"We're going to a show in Memphis tomorrow," Ally explained, naming a band I had never heard of.

"Figured we'd make a road trip out of it," Mercedes said. "Of course, we had to stop here and do some book shopping. This place is awesome . . ."

"Glad you like it. And I'm doubly glad to actually meet

the folks behind your kickass publication."

A short line had formed behind them, so I promptly rang up their books. It was Friday, almost closing time; I was tired and ready to call it a day. Still, my chance encounter with Ally and Mercedes had given me a much-needed boost.

They each gave me a parting hug. "Send more poems," Ally said before exiting the store. "We love to read your work."

"Definitely," Mercedes added.

I figured that was the end of it, thought I'd never see them again. But I was wrong. They had been gone some five minutes when Ally returned and asked me if I knew of any good places to grab a bite. I recommended a few of my favorite spots. She surprised me by asking if I would like to join them.

Of course, I said yes. A man would have to be a fool to decline such an offer. Dinner with two Texan hotties. A no-brainer, I reasoned. That they championed the kind of direct and plainspoken poetry that I wrote made the deal that much sweeter. Looks and brains. What more could a

guy ask for?

We ate at a Mexican place with outdoor seating. Ally drank draught beer while Mercedes went the margarita route. I was concerned as they still had a ways to go to get to Memphis. Still, I didn't say anything. If they wanted to drink—well, who was I to try and stop them? I had a few beers myself. The food was excellent, the conversation even better.

"You wouldn't believe some of the crazy shit people submit," Ally said between bites of her chicken quesadilla. "There's this guy from Canada who actually writes his poems on the backs of unpaid bills."

"Maybe I should try that," I said.

"There are some real nuts out there," Mercedes remarked. "Total freakazoids."

"Pretty much everything we get is edgy," said Ally, taking a swig of beer, "but a lot of writers confuse edgy with downright abysmal."

My dinner companions continued to drink even after we had finished our food. I was worried. Neither of them was

"Know a good place to stay?" Mercedes asked. "Actually, it doesn't have to be good. Just cheap."

Ally laughed. "We're on a fixed budget."

"Stay with me," I said matter-of-factly. "I'd love the company."

They hemmed and hawed but finally came around. Ally, slightly less drunk than Mercedes, took the wheel of her co-editor's car and followed me to my apartment. It was a short trip on mostly residential streets, so I wasn't overly concerned with their safety. Still, I was relieved when we arrived at my place without incident.

"Home sweet home," I said, unlocking the front door and ushering them inside.

"Cool place," Ally remarked.

"I like it," I told her.

Ally and Mercedes made themselves comfortable on my secondhand futon.

"Anybody want a beer?" I asked.

"Nothing for me," Ally replied.

"I've had enough to drink," Mercedes said, "but I would

fit to drive, and they still had 200 miles to go. Understand, I'm not saying they were falling down drunk. Not at all. But they were definitely impaired.

We were in the parking lot when I finally broached the topic. "Please tell me you're not driving to Memphis tonight."

Mercedes looked at me like I was nuts. "Hell no. We're getting a room."

"The show doesn't start until seven," Ally said. "We can sleep in tomorrow and take our time."

"Good. You two had me worried. For a minute there, I thought I might have to swipe some keys."

like a glass of water."

"Me too," Ally added.

I went to the kitchen, plucked three bottles of water from the fridge, and handed two of them to my guests. I sat in a chair opposite them, downing half of my bottle in one hefty swig.

"Man," I said, shaking my head in dismay, "I can't get over this. The editors of Poetry Sucks, right here in my apartment. If I don't get a poem out of this—well, I don't deserve to call myself a poet."

I had one contributor copy of the issue in which my two poems had appeared. I asked Ally and Mercedes if they

would sign it for me.

"Of course," Ally said. "We'd love to."

Mercedes produced a pen from her purse. They added their signatures to the white space between my poems.

"Thanks a million," I told them. "I'll cherish this thing forever . . ."

It was getting late. They had been on the road all day, and I had worked eight hours at the bookstore; factor in the booze we had consumed at the restaurant, and everybody was ready for some shuteye.

At least that's what I thought when I handed out blankets and pillows and folded out the futon. "Sweet dreams, girls," I said, thanking them for a wonderful evening before retiring to my bedroom.

I don't know how long I had been asleep, don't even know what time it was as I neglected to look at the lighted

cedes kept right on fucking her, faster and faster, her tits bouncing as she thrust frenziedly.

Not wanting to come too soon, I had to check myself, had to slow down. Ally and Mercedes looked like they would be at it for a while, and I wanted to be nice and hard for every minute of their tryst, nutting only after they had reached their respective climaxes.

Having fucked Ally in earnest, Mercedes withdrew and unbuckled the strap-on dildo. Casting the toy aside, she lay on the futon and spread her legs. Raising her knees with her hands, she opened her cunt for Ally's ravenous mouth.

Mercedes cried out as Ally's questing tongue worked its magic. There you go, I thought, my hand sliding up and down my prick, eat that pussy. Ally lapped and licked with urgency, giving her jaw quite a workout; this as I continued to beat my meat.

alarm clock on my nightstand. What I do know is that I was awakened by a sound, one which painted quite an enticing picture in my mind's eyes.

Intrigued by the possibilities, I slid out of bed and padded to the living room to take a looksee.

My ears hadn't deceived me.

Ally and Mercedes were getting it on, engaging in some hot and heavy action right there on my futon bed. The sound that had roused me from sleep was even louder now. Ally moaned as Mercedes, a freakishly large strap-on dildo secured to her trim waist, pounded her co-editor from behind.

I stood slack-jawed in the doorway, utterly astounded by the girl/girl doggy rutting enfolding before me. My vantagepoint afforded me a spectacular view of Mercedes's tight ass as she plunged the plastic phallus into Ally's pussy.

My cock stirred, hardened, lengthened, demanding that I free it from my boxershorts, which I did with much haste. Watching from the shadows, I stroked myself with a jerky pumping motion.

Positioned on all fours, her ass raised, Ally took every inch of the big toy cock. Panting and groaning, she reached between her legs with one hand and rubbed her clit. Mer-

I don't know what alerted them to my presence. Had I jerked off too loudly? Breathed too raggedly? Not that it mattered. My guests were more than happy to have a spectator. They even insisted on finishing me off in proper fashion.

"I want to taste your hard cock," Ally said.

Mercedes licked her lips. "And I want to suck your balls."

That got me out of the doorway in a hurry; I hastened to the futon bed and took off my shorts. Ally knelt on the floor before me and proceeded to suck my dick. Mercedes crouched beside her and serviced my nuts. I stood there feeling finer than I had in a very long time, feeling like the luckiest guy in the world.

Watching Ally's lips glide up and down my shaft while Mercedes's tongue brushed my balls proved to be too much. I came in Ally's mouth. Still, mine was a big wad, plenty to share, so I pulled out of Ally's mouth and popped off squarely in Mercedes's face.

I awakened the next day—my day off—to an empty apartment. Ally and Mercedes had hit the road early, though not before folding the futon and blankets.

I hoped they enjoyed their stay, hoped they had a good time at the show in Memphis. More than anything, though, I hoped they kept publishing poems that didn't suck.

She is leaning over a white marble countertop, looking back over her shoulder at the camera. The background features pink curtains and several ornate gold candle holders with white candles. The lighting is soft and warm, highlighting her skin and the lace details of her outfit.

I'll admit I have a high sex drive. I told my man that was the case when we hooked up. I was an animal on him for a year or so, but that wasn't enough for me. Then for our third anniversary he brought home one of his studly friends for me to fuck. Now I think about that when I'm getting off solo.

I was a rehab therapist at a local clinic. We got to wear cute nurse's outfits to make the patients feel better. One of my male patients was awfully sad all day thinking his cock was never going to work right again. Well, I decided that the best thing I could do was to offer my famous oral therapy... for starters.

BLAIR-NTS-019

One Friday night while no one was home, I invited my boyfriend to come spend the night. As I hurriedly rushed around getting ready and trying to make sure everything was right, I paused and thought to myself, "I really love him, and I want tonight to be special."

Before I knew it, the doorbell rang. It was him. I ran down the stairs calling, "Be right there!" When I got to the door, he stood there smiling. His hair was still wet from the shower he had taken before he left. I jumped up to give him a hug and as he squeezed me so tightly I could smell the clean scent of his body. I wanted so much to be with him.

We went up to my room and fell onto my bed. He lie there on top of me and kissed me so softly and gently. His hand on my face reassured me of his affection and that everything was okay. After a few minutes of making out I rolled over on top of him, still joint at the mouth, and slowly slid my hand down his stomach and into his pants. I could tell he got excited because I felt him stop and smile for a second, and then kissed me with more aggression and enthusiasm. His breathing started to speed up as I firmly grasped his penis. It had been a long time since we'd seen each other and we were both waiting for this night.

I moved down and unfastened the buckle holding his jeans up. Then unbuttoned with my teeth the button of his pants. I heard a faint whisper.. "You don't have to do this." I ignored his sweet comment as I lifted his body to pull off his clothing. Now he lie stretched out on my bed. Calm. Relaxed. Anticipating my next move. I held his penis in my hand while lowering my head to meet his. I licked my lips and opened my mouth, then wrapped my lips around his dick, hearing him gasp above me. Moving my tongue from the bottom of his shaft to the tip of his head, I made sure to leave my saliva all over it so I would have something to suck up. I felt it rub up against the back of my throat as a pushed my head down to reach his pelvis.

I could tell he was enjoying every minute of this. The excitement built up and he started to move his hips up and down coordinating with my head. He breathed heavily, short and audible. His body froze as he squirted his cum deep into the back of my throat. I crawled back up towards him and lie there quietly, relieved and proud. I loved making him happy in any way possible. He grabbed me and pulled me onto him and as I lay there on top of him I could feel his strong, steady heart beat and his chest moving up and down. He was warm and exhausted. I loved him this way. He smiled and squeezed me hard. We lie there talking for a while

then I picked my head up to kiss him. His soft lips made me tingle and the taste of him gave me chills. We sat up and I put my arms over my head while he gently lifted my shirt off of me.

Then I did the same to him. I undid my pants and he pulled them off. Both of us naked, I lay down on the bed positioning myself to place my legs outside his hips. He eased down and I took his cock in my hands and moved it up and down the outside of my pussy's slit, rubbing it there for a second or two at the clit, stroking it with the tip, before placing his dick into my slippery opening.

Within a few seconds, it was all in and he started moving it in and out of me, driving my sexual energy even higher. He wriggled his hand between us enough to stimulate my clit with his fingers. I started feeling really good with that additional stimulation, because soon I was moaning more and going faster, bouncing on his hard cock like there was no tomorrow. I told him that he shouldn't go too fast or I would explode again.

I moaned as he thrust into me harder and deeper. Faster and faster he pushed and pulled his way in and out of me while I clenched and pulled on his hair roughly, forcing him to keep going and to speed up the pace. Then... the explosion. He burst

I CLENCHED AND PULLED ON HIS HAIR ROUGHLY, FORCING HIM TO KEEP GOING AND TO SPEED UP THE PACE. THEN... THE EXPLOSION.

inside me and I felt his hot cum enter my body.

At the same time, I was coming to a climax. Together we reached an orgasm and melted into each other. It was the best feeling I had ever felt. We were sweaty with exhaustion and out of breath, our hearts beating simultaneously.

He stopped and rested on top of me. His warm embrace was comforting and soothing. At this moment, we were perfectly content. We lie there, happy with ourselves and loving each other more now than ever.

Just as he began to passionately kiss me, I started to cry. This was the happiest moment of my life. I was so in love with him and he felt the same way about me. So honest and pure, so comfortable and relaxed. This was love. These are the moments we live for. Everyone has rough times and life isn't easy, but it's times like this, when you are the happiest you've ever been and all your problems are nonexistent, and the only person in the world you'd ever want to share it with is lying on top of you with closed eyes and a grin on his face, it's times like these that make us want to forget about the hard things and live.

A photograph of two young women, Ashley and Stephanie, dressed as cheerleaders. They are wearing red and white sleeveless tops with a V-neckline and red skirts. They are holding large, fluffy pom-poms made of red and white ribbons. They are standing in front of a wooden mantelpiece with a clock and a lantern on it. The text is overlaid on the image.

Believe it or not, we got into cheerleading to meet the players. Hunks of man meat that we too would like a taste of. Unfortunately the coaches are pretty strict about hitting on the players, so... we decided to hit on the coach! We didn't know if players could handle us anyway, but this coach sure could. Check us out!
